HIGHLAND CUMBERLAND PRESBYTERIAN CHURCH

November 2017

Highland Church reaches out in the name of Jesus Christ building disciples with vision for ministry.

Our Elder election is coming! This is always an exciting time for our church, as we pray and seek God's will. God has two people that He wants to serve on the session. It is our job, as a church, to seek those out. Our session works as the nominating committee. If God lays anyone on your heart, let the session know. You can also nominate your choice from the floor as long as you have asked the individual and it is agreed upon.

Serving is not always an easy task and the obligation is great. It is not meant for all to be elders. It is a calling! As the Cumberland Presbyterian Confession of Faith says,

- **2.71** Elders are the immediate representatives of the people, elected by them to share with ministers in the government and leadership of the church. The elders who comprise the session share with the minister in charge in the pastoral oversight of the particular church.
- **2.72** In caring for and leading the congregation which they serve, elders shall be particularly attentive to persons who have not confessed Jesus Christ as Lord and Savior, those who are spiritually weak, and those who need to be instructed in the faith. They shall visit the people in their homes, praying with and for them, especially for the sick, those who mourn, and others in need. They should encourage the people by word and example to share in the worship, study, witness and service of the church through a faithful stewardship of their time, talents, and money. They should inform the pastor of any concerns that need his or her attention.
- **2.73** Persons who fill the office of elder may be male or female, young or old. Elders share in the same vocation that belongs to all Christians to be witnesses to the gospel, but the vocation of this office places an additional responsibility of leadership upon them. They should exemplify the gospel by their good character, sound faith, wisdom, maturity of judgment, discretion, conversation, knowledge of the doctrine and government of the church, and competency to perform the duties of the office.
- **2.74** Persons who accept the responsibilities of the office of elder should engage in such study and preparation as are appropriate to the office, and during their tenure on the session shall continue to study in order better to perform their duties.

No wonder someone said, "Everything rises and falls on leadership." So, please pray that God's will be done in our nomination and election of elders! Let us seek out those who have a godly influence and whose example is already an inspiration. May we choose those who are involved in the many ministries of our church and have a passion for mission, evangelism and church growth.

Thank you from Bro. Bud

Pam and I want to express our sincere appreciation for the many things you have done for us during and after my back surgery! The love you showed through your cards, food, flowers, and visits was overwhelming!

The elders stepped up and answered the call as they made pastoral visits on my behalf.

Then, of course, my great friend and our associate Pastor, Rev. Doug Hughes was able to fill the pulpit for worship and lead Wednesday evening Bible study. We are so blessed to have you at Highland, my friend.

Since my return, your love and generosity have again shined as you have showered me with gifts every Sunday for Pastor Appreciation!!! What a blessing to be here.

Again, thank you ALL very much! I love you.
